

10 Questions Single Women Should Never Ask, 10 They Should: The Ultimate Guide to Finding and Keeping a Great Relationship

1. Why am I still single?

This is a question that can lead to a lot of negative thinking and self-doubt. Instead of asking why you're still single, focus on what you can do to improve your chances of finding love.

2. What's wrong with me?

There's nothing wrong with you! You're a unique and amazing individual, and there are plenty of men out there who would be lucky to have you. Instead of focusing on your flaws, focus on your strengths.

3. Am I too picky?

There's nothing wrong with having high standards. In fact, it's important to know what you want in a relationship. However, if you're too picky, you may be limiting your chances of finding love. Be open to dating men who don't meet all of your criteria, and you may be surprised at who you find yourself falling for.
