The book begins with a detailed overview of the political and military situation in the Middle East in the lead-up to the Gulf War. The author then provides a detailed description of the F-15 Eagle and MiG-23 aircraft, as well as the tactics and weapons used by both sides.

The main body of the book is a blow-by-blow account of the air battle itself. The author uses eyewitness accounts from both sides to recreate the battle in vivid detail. The book also includes numerous maps and diagrams to

help the reader understand the complex maneuvers and tactics used by both sides.

The book concludes with an analysis of the battle and its aftermath. The author argues that the air battle was a clear victory for the US Air Force, and that it demonstrated the superiority of American air power. The book also discusses the lessons learned from the battle, and how they have been applied to air combat operations since then.

15c Eagle Vs Mig 23 25 Iraq 1991 Duel 72 is a must-read for anyone interested in air combat, military history, or aviation. It is a well-written and informative book that provides a unique and in-depth look at one of the most famous air battles in history.
