

# Employment Discrimination Law: Visions of Equality in Theory and Doctrine

## About the Book

Employment discrimination law is a complex and ever-evolving field of law. This book provides a comprehensive overview of the field, with a focus on the theoretical and doctrinal foundations of the law. The book is written by leading scholars in the field and provides a critical analysis of the current state of the law.

## Employment Discrimination Law, Visions of Equality in Theory and Doctrine (Concepts and Insights)

The book is divided into three parts. The first part provides an overview of the theoretical foundations of employment discrimination law. The second part examines the doctrinal foundations of the law, including the major statutes and case law that have shaped the field. The third part explores the future of employment discrimination law, including the challenges and opportunities that the field faces.

This book is an essential resource for anyone who wants to understand employment discrimination law. It is a valuable resource for lawyers, judges, scholars, and policymakers.
