The photographs in Sierra Notes are the work of award-winning photographer Galen Rowell. Rowell spent decades exploring the Sierra Nevada, and his images capture the range's grandeur and diversity. From the granite cliffs of Yosemite Valley to the alpine meadows of the high country, Rowell's photographs showcase the Sierra Nevada's timeless beauty.

In addition to the stunning photographs, Sierra Notes also includes essays by some of the Sierra Nevada's most respected writers. These essays provide insights into the range's natural history, geology, and human history. They also explore the Sierra Nevada's role in American culture and conservation.

Sierra Notes is a beautiful and inspiring book that is sure to be enjoyed by anyone who loves the outdoors. Whether you're a seasoned hiker or simply

appreciate the beauty of nature, you'll find something to love in this book.
