

The Fleet Air Arm in the Second World War: Volume II, 1942-1943

The Fleet Air Arm in the Second World War: Volume II, 1942-1943 recounts the remarkable story of the Royal Navy's Fleet Air Arm during two pivotal years of the conflict. This extensively illustrated volume picks up the story in early 1942, as the Fleet Air Arm was heavily engaged in the Mediterranean and Far East theaters. The book follows the Fleet Air Arm through the Battle of Midway, the Guadalcanal Campaign, and the Battle of the Atlantic, among other major engagements.

Key Features

Praise for The Fleet Air Arm in the Second World War: Volume II, 1942-1943

"This is a superb book that tells the story of the Fleet Air Arm in a clear and concise manner. The author has done a masterful job of weaving together the personal stories of the pilots and crew with the overall strategic and operational context of the war. This book is a must-read for anyone interested in the history of the Royal Navy or the Second World War."
