The SLK R170 was available with a variety of engine options, including a 2.0-liter four-cylinder, a 2.3-liter V6, and a 3.2-liter V6. All engines were paired with a five-speed automatic transmission. And with its lightweight

construction and aerodynamic design, the SLK R170 offered impressive performance and handling.

In addition to its performance and style, the SLK R170 was also known for its luxurious features. Standard equipment included leather seats, a premium sound system, and climate control. And options such as heated seats, a navigation system, and a Bose sound system were also available.
